

RECOGNITION OF QUALIFICATIONS – CABLE INSTALLER AND PIPE FITTER

1. NOTIFICATION

Persons who intend to work on a temporarily or occasionally basis in Denmark as a cable installer or a pipe fitter, on basis of their professional qualifications acquired in another EU or EEA country or countries with which the EU has entered into an agreement on access to pursue a regulated profession, are entitled to commence the work without using this form.

Persons who intend to work on a permanent basis in Denmark as a cable installer or a pipe fitter on basis of their professional qualifications acquired in another EU or EEA country or countries with which the EU has entered into an agreement on access to pursue a regulated profession, have to use this form to request for recognition of their professional qualifications.

Persons who intend to work on a permanent basis in Denmark as a cable installer or a pipe fitter on basis of formal qualifications issued by a third country and who have three years' professional experience in the profession concerned on the territory of the Member State which recognized that the evidence of formal qualifications is in accordance with Article 2(2) in the directive on the recognition of professional qualifications, have to use this form to request for recognition of their professional qualifications.

If you have any questions concerning your request or on the recognition of professional qualifications in general, please write to Sik@Sik.dk
